The Clergy are available for spiritual direction or pastoral care. Please contact the Church Office if you would like to speak with a priest

Pre-authorized giving (PAG): If you would like to sign-up for PAG, please contact the office. We encourage you to support our ministry through PAG. Thank you.

We acknowledge that we are in the traditional territory of the Mississaugas of the New Credit, the Anishinaabe, the Haudenosaunees, and the Huron-Wendat, on whose land, and by whose water we gather to talk, listen, learn, worship, share and heal together in the name of our Creator, the Holy One of Blessing.

"The earth is the Lord's, and all that is in it, the world and all who dwell therein." Psalm 24.1.

A Word from the Rector

Today our preacher is the Reverend Dr Stephen Drakeford. Stephen has been a priest of this Diocese for 32 years and has served St. George's, Oshawa, the Parish of Georgina, Trinity, Streetsville, St. Matthew's, Islington and he retired from The Church of the Epiphany and St. Mark, Parkdale. He's been involved and led numerous diocesan

committees over the years, but particularly for the last fifteen years, he's been leading and serving the call to better care for creation as we face environmental collapse.

In retirement Stephen was nominated to serve then co-chair AURA (Anglican United Refugee Alliance). He is here today in that capacity. AURA actively links sponsoring groups with refugees. AURA further continues to support sponsors and refugees before and after their arrival in Canada. He feels privileged to be doing this important work and is delighted to be here today to share with you the importance of this ministry. Welcome Stephen.

The Health and Safety Committee met this week to review our policies and procedures. At this time masks are not mandatory but strongly recommended, especially as our hospitals are feeling the strain of increased Covid cases and other illnesses. It is also important to be realistic that while we may be done with Covid, Covid is not done with us! Please continue to be mindful of this, especially as we have many vulnerable people in our community.

God of grace, we ask your blessing upon the work of doctors, nurses, researchers, and all those who care for the sick, especially in the hospitals of this city. We pray that all who work in different ways for the health of our communities may be brought together into unity of purpose and learn to cooperate with one another, in the Spirit of Jesus Christ our blessed Saviour and Redeemer.
