Word from the Rector

Over the past few weeks, different people have expressed their deep appreciation for the ministry of our parish. It is helpful and reassuring for us to hear such affirmation. This is a very special place - our care and stewardship of what we have inherited is a sacred trust.

While our ministry is strong, we are facing significant financial challenges. Our historic and aging building has many repairs and restoration needs. For the past few years, we have not been able to pay for our basic ministry costs through parishioner offerings, making us more and more reliant on other income. In order for us to have an Assistant Curate we are given a generous diocesan grant. We have reduced the hours of our Office Administrator which means more administrative office work falls on the clergy and wardens taking us away from other demands. This is not sustainable. Even as we will soon welcome the new Munchkin Manor Daycare, we need to take a very serious look at our stewardship to deal with the financial shortfall.

The Wardens and I invite you to join us for a *Financial Forum* on Sunday, June 25th after the 10.30 am service where we will provide a financial update. We will also be sending out a letter asking parishioners to increase their financial commitment. We know many are already giving sacrificially, but many of us can do more, and we need to if we want our ministry to continue. Please join us on the 25th and keep the parish in your prayers as we navigate this challenging time.
